

NICOLAUS COPERNICUS  
UNIVERSITY  
IN TORUŃ

# „Academia Copernicana”

– Interdisciplinary PhD School

We offer an international program for PhD education.

- Four years of PhD study in sciences, arts and humanities
- Foreign supervisors
- Courses in scientific writing and successful grant application
- International summer schools
- High standards in teaching and publishing
- All classes and lectures in English

The goal of Interdisciplinary PhD School "Academia Copernicana" is to prepare PhD students for interdisciplinary research and scientific activities, conduct didactic activities at the academic level and obtain a doctoral degree.
